

Authors: Anke Schwarzenberger, Cornelius Courts and Eric Von Elert
Title : Expression of target and reference genes in *Daphnia magna* exposed
to predator-borne kairomones or to microcystin-producing and microcystin-
free *Microcystis aeruginosa*
Journal: BMC Genomics
MS : 1867508496189637

Dear Miss Schwarzenberger,

Many thanks for returning the revised version of your manuscript (above) in response to the referees' comments. I am delighted to say we consider the referees' criticisms satisfactorily addressed, and anticipate acceptance of your revised manuscript.

However before acceptance, our editorial production team needs to check the format of your manuscript, to ensure that it conforms to the standards of the journal. They will get in touch with you shortly to request any necessary changes or to confirm that none are needed.

If you have any problems or questions regarding your manuscript, please do get in touch.

Sincerely,

Joseph Dunckley
Assistant Editor
